Vijayawada, Andhra Pradesh
Graduated April 2015
- **Sri Chaitanya Techno School**
10 th Standard
Overall CGPA : 9.8
Rajahmundry, Andhra Pradesh
Graduated May 2013

Professional Skills :

- **Programming Languages:** C, C++, Python.
- **Web technologies and Languages:** HTML, CSS, Javascript, JQuery Bootstrap, PHP.
- **Databases:** SQL.
- **Other Skills:** Adobe Photoshop, Adobe Lightroom.

External Courses:

- 1) Data Analyst Nanodegree by Udacity, Graduating by December 2018.
- 2) Introduction to Modern Application Development by NPTEL
- 3) Front End Development by Free Code Camp.
- 4) Web Designing by FITA.
- 5) Python by Besant Technologies.
- 6) Intro to SQL for Data Science Course.

Mini Projects:

Title : Buddy - A Social Networking Site using PHP and MySQL

- Buddy is a web-based application that was developed using PHP and MySQL. It offers many features to its users like they can add/remove their friends, post on wall, can like posts, can update their posts.

Title : Investigating TMDB dataset using Numpy , Pandas and Matplotlib.

- This project was done as a part of the Data Analyst Nanodegree program in Udacity. Five steps of Data Analysis process are performed on movie dataset, to view patterns among them and to visualize correlations among the data.

Title : News Scrapping from College Website

- To keep updated with the news that was published on the college website, we should browse it daily. So to automate this process, I developed a python program that scraps the news and the links published on the college website at 9 PM and sends me a CSV file to my mail.

Title : US Bike Share Data Analysis

- This project was done as a part of Data Analyst Nanodegree program. US bike share data of three cities are analyzed and patterns like most popular route, frequent stations are visualized.

Extra Curricular Activities:

- Organized environmental awareness meet for students in our college on behalf of Team Meraki (Voluntary Organisation).
- Worked as Brand Manager for Intern Theory Career Solutions LLP.

Work Experience:

Technical Lead Team Meraki

We are about a number of six. With common motive among us to create awareness among students, we formed as a group. Later many of our friends from our college joined with us. I have worked as Technical Lead for Team Meraki. With all my team support, we developed a website for Team Meraki.

Here is the link of the website: <http://teammeraki.in>
